**Intro to drugs** – This workshop aims to provide basic awareness of commonly used drugs and an introduction to harm reduction. This workshop is suitable for all ages

**Street Drugs** – This workshop is more specialised and can be catered to your particular needs. For example a whole session focused on cannabis or alcohol. This workshop is aimed at ages 14 and over

**Advanced look at drugs** – This workshops takes a deeper look into the world of dugs and gives the young people a chance to look at the positive and negatives sides of drugs and explore scenarios relevant to them. This workshop is aimed at ages 14 and over  
\*Prices include planning, travel, delivery, evaluation & course materials

A larger discount will be given if more than 3 workshops are booked.

We recommend a package of basic plus 2 more advanced and specialised workshops for £260 for non members see above for details.

Sessions are FREE to purely voluntary agencies, although a contribution would be appreciated.
